

J.O.

Spot for Fri., Jan 13 -- Shea Typing Service - 8:30 P.M.

Is your term paper completed? Due tomorrow but you've no time in which to type it? Don't get panicky! Go to the Shay Typing Service, 136 Main Street, and let them type it for you. When you reach 136 Main Street, go up to the second floor. It's the room to the left of the head of the stairs. If it's an emergency, such as a term paper due the next morning, they will probably type your paper for you while you wait. No, there's no catch to it. Their rates are quite reasonable. If you want to get more details on the Shay Typing Service, call Nortampton 2967.
